WELCOME TO GSG

“All achievements have their beginning in an idea” – Napoleon Hill

Ever since its establishment in 2002, entrepreneurial courage and the demand for maximum quality have been characteristic for GSG.

Products by Specialists – this guiding principle expresses the commitment of experienced professionals and can be found in any of our products.

As one of the leading manufacturers of firearms in Caliber .22lr we enjoy the confidence of gun lovers worldwide.

We also delight our customers with innovative ideas in the fields of softair guns, air guns, outdoor and security products.

Inventiveness and technical knowledge help us to always strike out in new directions and to develop products which best fits the needs of our customers. Many years of experience, commitment and creativity are our success factors.
